Dear Synopsys,

Since 1922, the Chamber of Commerce Mountain View has partnered with local businesses to enhance the Mountain View community. These partnerships have had a long-standing tradition of being a driving force behind their mutual success and the success of Mountain View as a whole.

Synopsys has long been an active and valuable member of both the Mountain View community and the Mountain View Chamber of Commerce. In fact, Synopsys has been a member of the Chamber since 1990. The following is an example of your consistent and generous support of Chamber events and programs:

- Your investment in the Celebration of Leaders Awards have allowed us to recognize outstanding businesses, business leaders and volunteers whose passion have added value to our city. These awards illustrate to the community the positive and often irreplaceable impact businesses have on the local non-profits we hold dear.
- Your sponsorship of the Art & Wine Festival and your investment in the success of our future leaders through the Leadership Mountain View Program have made Synopsys an invaluable Chamber member and a true friend of our community.
- For your participation on our Board of Directors, by encouraging Erin Brennock to volunteer her time to serve the business community in so many ways, we truly thank you. Erin's wisdom and generous spirit have been invaluable.

Synopsys has not only contributed to the economic vitality of the city of Mountain View, it has also contributed to a better quality of life for all members of our community. In recognition of their dedication to Mountain View, Synopsys was awarded the Chamber's Crystal Award for Outstanding Business of the Year.

We are incredibly thankful for our partnership with Synopsys and look forward to another 20 successful years.

Warmest regards on this very special occasion!
