THE LIMITATIONS ON LICENSOR'S LIABILITY SET FORTH IN THIS SECTION 9.0 SHALL APPLY NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY HEREIN.

10. General Provisions

10.1 Choice of Law. This Agreement will be governed by and construed in accordance with the laws of the United States and the State of California excepting that body of California law governing conflicts of law.

10.2 Jurisdiction. The federal and state courts within Santa Clara County, California shall have exclusive jurisdiction to adjudicate any dispute arising out of this Agreement. Each party hereto expressly consents to the personal jurisdiction of, and venue in, such courts and service of process being effected upon it by registered mail and sent to the address set forth at the beginning of this Agreement.

10.4 Notices. Any notice, report, approval or consent required or permitted hereunder shall be in writing and will be deemed to have been duly given if delivered personally, by facsimile, or mailed by first-class, registered or certified mail, postage prepaid to the respective addresses of the parties as set forth in this Agreement. If to Synopsis, Attention: General Counsel.

10.5 No Waiver. Failure by either party to enforce any provision of this Agreement will not be deemed a waiver of future enforcement of that or any other provision.

10.6 Independent Contractors. The relationship of Synopsis and Licensee established by this Agreement is that of independent contractors, and nothing contained in this Agreement shall be construed (i) to give either party the power to direct or control the day-to-day activities of the other or (ii) to constitute the parties as partners, joint venturers, co-owners or otherwise as participants in a joint or common undertaking.

10.7 Severability. If for any reason a court of competent jurisdiction finds any provision of this Agreement, or portion thereof, to be unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remainder of this Agreement will continue in full force and effect.

10.8 Attorneys' Fees. The prevailing party in any action to enforce the Agreement shall be entitled to recover costs and expenses including, without limitation, reasonable attorneys' fees.

10.9 Injunctive Relief. The parties agree that a material breach of this Agreement adversely affecting Licensor's Intellectual Property Rights in the Licensed Product, Design Techniques or Documentation would cause irreparable injury to Licensor for which monetary damages would not be an adequate remedy and Licensor shall be entitled to equitable relief in addition to any remedies it may have hereunder or at law.

10.10 Force Majeure. Except for the obligation to make payments hereunder, nonperformance of either party shall be excused to the extent that performance is rendered impossible by strike, fire, flood, governmental action, failure of suppliers, earthquake, or any other reason where failure to perform is beyond the reasonable control of the nonperforming party.

10.11 Entire Agreement. This Usage Agreement, including any Exhibits hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof, and supersedes all prior agreements or representations, oral or written, regarding such subject matter. This Agreement may not be modified or amended except in a writing signed by a duly authorized representative of both parties.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives:
