

## David Hsu

Director, Product Marketing, Simulation and Functional Safety Verification

David Hsu is a director of product marketing in the Verification Group at Synopsys. He has marketing responsibility for the VCS, Certitude, and Z01X simulation and fault simulation products, as well as for the functional safety verification and AI initiatives in the Verification Group. Mr. Hsu has more than 25 years of experience in product marketing, business development, and design and test automation R&D. Prior to joining Synopsys, he worked at FormFactor, Compass Design Automation, and VLSI Technology.

Mr. Hsu has an MSCS degree from Stanford, a BSCS degree from MIT, and an MBA from Santa Clara University.
