

Kevin Maguire

North America Regional Vice President, Sales

As vice president of North America sales for Synopsys, Kevin Maguire is responsible for bringing the company's EDA software and hardware tools, IP, and design services to market, as well as building strategic business relationships with customers in the region. Kevin joined the company in 1997, and has held a variety of sales management positions prior to his current responsibilities. Before joining Synopsys, he spent four years at Viewlogic Systems, where he worked in a number of sales and sales management roles.

Kevin holds a B.S. degree in Chemical Engineering from the University of Pennsylvania and an MBA from the Haas School of Business at the University of California, Berkeley.
