

Madeline Chan

Corporate Vice President, Sales Operations and Strategy Development

Madeline joined Synopsys in March 2004 and is currently Corporate Vice President, Operations and Strategy Development for the Sales and Corporate Marketing Group.

Prior to Synopsys, she led business planning at both start-up and technology companies, including Hewlett Packard and Digital Island. Earlier in her career, Madeline was at The Boston Consulting Group, and held multiple finance and planning positions at General Electric as a graduate of GE's Financial Management Program.

She holds a BA in Economics from the University of California, Berkeley, and an MBA from The Harvard Business School.
