

Manoj Gandhi

General Manager Verification Group, Corporate Staff

Manoj joined Synopsys with the company's merger with Viewlogic in December 1997. In his current position, he and his organization are responsible for Synopsys' verification solutions including simulation, prototyping, emulation, debug, verification IP, and static and formal technologies as part of the Verification Continuum Platform.

He has more than 30 years of HDL simulation and verification experience, having begun his career at Gateway Design Automation in 1986.

Manoj has a B. Tech. in Computer Science and Engineering from the Indian Institute of Technology, Kharagpur, and an M.S. in Computer Science from the University of Massachusetts, Amherst.
