

Michael Posner

Director of Product Marketing, DesignWare USB/DisplayPort & IP Subsystem Solutions

Michael (Mick) Posner joined Synopsys in 1994 and is currently Director of Product Marketing, responsible for multiple DesignWare IP, IP subsystem, and IP hardening solutions. Previously, Mr. Posner held various product marketing, applications consulting, and technical marketing management positions at Synopsys.

Mr. Posner holds a Bachelor's degree in Electronic and Computer Engineering from the University of Brighton, England. He has presented at many technical conferences on digital and mixed-signal IP and FPGA-based prototyping topics.
