

## Michael Sanie

Vice President, Enterprise Marketing & Communications

Michael leads Synopsys' Enterprise Marketing & Communications group, which is responsible for go-to-market strategies and strategic communication and campaigns across Synopsys. He has previously served as the Vice President of Marketing and Strategy for the Design Group and the Vice President of Marketing for the Verification Group. Before joining Synopsys in 2009, Michael held executive and senior marketing positions at Calypto, Cadence, Numerical Technologies, and Actel, as well as IC design and software engineering positions at VLSI Technology. Michael holds BSECE and MSEE degrees from Purdue University and an MBA from Santa Clara University.
