1. **SCOPE AND KEY TERMS.** The Licensed Product is the proprietary information of Synopsys or its suppliers who retain exclusive title to their intellectual property rights in the Licensed Product. Customer's rights to the Licensed Product are limited to those expressly granted below and Synopsys reserves all rights not expressly granted in this Agreement.

1.1 **Purchasing Agreements.** The terms and conditions set forth in this End User Software License and Maintenance Agreement and the Purchasing Agreement(s) accepted by both Customer and Synopsys contain all terms and conditions applicable to Customer's use of the Licensed Product (collectively, the "**Agreement**"). A "**Purchasing Agreement**" is a document that references this Agreement and identifies the specific Licensed Product and rights being licensed hereunder, including the applicable License Type, quantity, license term, Territory, Code Base, or other license constraint, and the fees and payment terms for the Licensed Product licenses (the "**License Transaction**"). An Affiliate of Customer may purchase licenses to the Licensed Product by executing a Purchasing Agreement referencing this Agreement provided that this Agreement governs all such licenses and such Affiliate complies with all Customer obligations referenced in this Agreement and the Purchasing Agreement. Customer agrees

that it shall be responsible for the acts and omissions of its Affiliates with respect to any Licensed Product licensed under an applicable Purchasing Agreement. Customer must refer to a copy of the applicable Purchasing Agreement to determine these conditions of the Agreement. If Customer does not receive any other document executed by Synopsys referencing the License Transaction, a Synopsys invoice referencing this Agreement, issued in response to a correct Customer purchase order, shall be Synopsys' acceptance of the License Transaction. Additionally, the license term and/or maintenance and support term for the specific Licensed Product identified in a Purchasing Agreement may be renewed by issuance of a Synopsys invoice referencing this Agreement and the applicable Purchasing Agreement in response to a correct Customer purchase order for such renewal. Customer agrees that Customer purchases under this Agreement and any Purchasing Agreement incorporated herein by reference are neither contingent on the delivery of any future functionality or features nor dependent on any oral or written public comments made by Synopsys regarding future functionality or features.

is controlled by or is under common control with such party. For the purposes of this definition, "control" means owning a beneficial interest (either directly or indirectly) in more than 50% of the outstanding shares or securities or other ownership interest entitled to vote for the election of directors or similar managing authority. For clarity, Customer shall not appoint any third party as an Authorized User that licensed all or any portions of the Code Base identified in an applicable Purchasing Agreement to Customer.

All past due amounts will incur interest at a rate of 1.5% per month or the maximum rate permitted by law, whichever is less. If Customer does not pay an amount by the scheduled due date, Synopsys will have the right to withhold the delivery of the license keys and / or terminate the applicable Purchase Agreement and accelerate the due date of all remaining payments. In the foregoing event, Customer will owe the entire outstanding balance as soon as Customer receives written notice from Synopsys that payment is overdue. Fees payable are net amounts, without deduction for taxes or duties. Customer will pay taxes and duties (including but not limited to sales, use and withholding taxes) associated with its purchases under this Purchasing Agreement, except for Synopsys' net income taxes; taxes and duties are based on where the Licensed Product is electronically delivered and where Services are delivered. Applicable sales tax will be included on invoices for Licensed Products and / or Services. The License Manager will report such data (collectively, "**Use and Compliance Data**") to Synopsys. Customer will not install or use the Licensed Product in a manner that circumvents or interferes with the operation of the License Manager, the Licensed Product Updates tool or any other technological measure that controls access to the Licensed Product. Some configurations may require the License Manager or the Licensed Product Updates tool to be installed only on designated servers. For those configurations, Synopsys will support two changes to the designated servers during any twelve-month period upon prior written notice.

This Agreement does not otherwise permit Customer to obtain and use Licensed Product Updates.

2.5. Special Terms for Third Party Software. The Licensed Product may contain open source or community source software ("**Open Source Software**") provided under separate license terms (the "**Open Source License Terms**"). The applicable Open Source License Terms are identified in a directory named "Licenses" provided with the delivery of the Licensed Product. Customer's use of the Open Source Software in conjunction with the Licensed Product in a manner consistent with the terms of this Agreement is permitted, however, Customer may have broader rights under the applicable Open Source License Terms and nothing in this Agreement is intended to impose further restrictions on Customer's use of the Open Source Software. Open Source Software is provided "AS-IS", WITHOUT ANY WARRANTY OF ANY KIND, AND SYNOPSIS FURTHER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WITH RESPECT TO OPEN SOURCE SOFTWARE, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE. 3.3. Use and Disclosure Restrictions. Receiving Party will not use the Disclosing Party's Confidential Information except as necessary to exercise the rights granted under this Agreement or to evaluate opportunities to license additional Licensed Products pursuant to this Agreement, and will not disclose such Confidential Information to any person or entity except to its Authorized Users. Therefore, the non-breaching party shall be entitled to seek all remedies that may be available under equity, including immediate injunctive relief, in addition to whatever remedies may be available at law.

4. WARRANTY.

4.1. **Limited Licensed Product Warranty.** Subject to the remainder of this [Section 4](#), for a period of forty five (45) days from earlier of the date that the Licensed Product is first made available to Customer for download or Customer's first receipt of the Licensed Product pursuant to an Purchasing Agreement, Synopsis represents and warrants that, (a) the media on which the Licensed Product is delivered will be free of defects in material and workmanship, (b) the Licensed Product will substantially conform to the functional specifications set forth in the applicable Documentation, and (c) it has used commercially available virus-detection software to scan the Licensed Product, and it has not knowingly introduced into the Licensed Product any virus, Trojan horse, trap door, or other code that is intended to cause harm to the Code Base or other systems.

5. INDEMNIFICATION.

5.1. **Infringement Indemnity.** Synopsis will defend or settle any action brought against Customer by paying all costs, damages and reasonable attorneys' fees that are finally awarded against Customer to the extent those amounts are based upon a third party claim that the Licensed Product, as provided by Synopsis to Customer under this Agreement and used in accordance with this Agreement, directly infringes any U.S. patent, or copyright or misappropriates any U.S. trade

secret. However, Synopsis' obligations under this [Section 5](#) are subject to the following conditions: (a) Customer must promptly notify Synopsis in writing of the action; (b) Customer grants Synopsis sole control of the defense and settlement of the action; and (c) Customer must provide Synopsis, at Synopsis' expense, with all assistance, information and authority reasonably requested for the defense and settlement of the action. Synopsis will not be responsible for any compromise made or expense incurred without its consent. If use of any of the Licensed Product is, or in Synopsis' reasonable opinion is likely to be, the subject of an action specified in this [Section 5.1](#), Synopsis may, at its sole option and at no additional charge: (i) procure for Customer the right to continue using such Licensed Product; (ii) replace or modify such Licensed Product so that it is non-infringing and substantially equivalent in function to the original Licensed Product; or (iii) if options (i) and (ii) above are not accomplished despite Synopsis' reasonable efforts, terminate Customer's rights and Synopsis' obligations hereunder with respect to such Licensed Product and refund the unamortized portion of the license fees paid for such Licensed Product, based upon a straight-line depreciation over the term of the license commencing as of the date Customer received such Licensed Product.

5.2. **Exclusions.** Notwithstanding the terms of [Section 5.1](#), Synopsis will have no liability for any infringement or misappropriation action or claim of any kind to the extent that it results from: (a) modifications to the Licensed Product made by a party other than Synopsis, if the infringement or misappropriation would not have occurred but for such modifications; (b) the combination, operation or use of the Licensed Product with equipment, devices, software, systems or data not supplied by Synopsis, if the infringement or misappropriation would not have occurred but for such combination, operation or use; (c) Customer's failure to use the updated or modified Licensed Product provided by Synopsis to avoid infringement or misappropriation; (d) Synopsis' compliance with any designs or specifications provided by Customer; and/or (e) Customer's use of the Licensed Product other than as authorized by this Agreement.

5.3. **Sole Remedy.** THE PROVISIONS OF THIS [SECTION 5](#) SET FORTH SYNOPSIS' SOLE AND EXCLUSIVE OBLIGATIONS, AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES, WITH RESPECT TO INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY RIGHTS OF ANY KIND. EXCEPT AS SET FORTH ABOVE, SYNOPSIS AND ITS SUPPLIERS DISCLAIM ALL IMPLIED OBLIGATIONS WITH RESPECT TO INTELLECTUAL PROPERTY INDEMNIFICATION.

6. LIMITATION OF LIABILITY.

6.1. **Exclusion of Damages.** Notwithstanding anything to the contrary, this Agreement does not limit liability due to death or personal injury caused by gross negligence, or liability due to fraudulent misrepresentations or willful misconduct, or liability arising from breaches of confidentiality obligations or license grants or conditions hereunder. SUBJECT TO THE FOREGOING SENTENCE, IN NO EVENT WILL EITHER PARTY, OR ITS SUPPLIERS, BE LIABLE TO THE OTHER FOR ANY SPECIAL,

INCIDENTAL, PUNITIVE, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF USE, DATA, BUSINESS OR PROFITS, REVENUE, GOODWILL, ANTICIPATED SAVINGS) OR FOR THE COST OF PROCURING SUBSTITUTE PRODUCTS OR SERVICES ARISING OUT OF THIS AGREEMENT, WHETHER BASED UPON CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE), FAILURE OF A REMEDY TO ACCOMPLISH ITS PURPOSE, STRICT LIABILITY OR OTHERWISE, AND EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Customer acknowledges that Synopsys would not be able to provide the Licensed Product without the limitations set forth in this [Section 6](#). Customer may have other rights under applicable mandatory local laws. This Agreement does not change Customer's rights under applicable mandatory local laws if such laws do not permit it to do so.

6.2. Cap on Liability. IN NO EVENT WILL SYNOPSIS, ITS AFFILIATES OR ITS SUBSIDIARIES, OR ITS SUPPLIERS' AGGREGATE LIABILITY UNDER THIS AGREEMENT, OR RELATING TO ITS SUBJECT MATTER, EXCEED WITH RESPECT TO ANY LICENSED PRODUCT, THE AMOUNT PAID BY CUSTOMER FOR THE LICENSED PRODUCT GIVING RISE TO THE CLAIM, AND WITH RESPECT TO SERVICES, THE AMOUNT PAID BY CUSTOMER FOR THE SERVICES GIVING RISE TO THE CLAIM.

7. EXPIRATION AND TERMINATION.

7.1. Term of Agreement. The term of this Agreement shall begin on the Effective Date of this Agreement and will end when this Agreement is terminated by either party in accordance with this [Section 7](#).

7.2. Term of Purchasing Agreement. Each Purchasing Agreement will have its own term, as indicated by the License Term applicable to the Licensed Product licensed under such Purchasing Agreement.

7.3. Termination for Breach. Either party will have the right to terminate this Agreement or any Purchasing Agreement if the other party breaches any material term of the Agreement or Purchasing Agreement, as the case may be, and if such breach is capable of cure, the breaching party fails to cure such breach within thirty (30) days after receiving written notice thereof. Either party will have the right to terminate this Agreement if the other becomes insolvent or makes an assignment for the benefit of creditors, or a trustee or receiver is appointed for such other party or for a substantial part of its assets, or bankruptcy, reorganization or insolvency proceedings shall be instituted by or against such other party. Termination of this Agreement under this [Section 7](#) terminates all Purchasing Agreements and Licensed Product licenses granted hereunder.

7.4. Effect of Termination or Expiration. Upon termination or expiration of this Agreement or a Purchasing Agreement, all Licensed Product licenses and rights to use Confidential Information that are granted thereunder shall terminate. Upon termination of this Agreement or expiration of the license term in any Purchasing Agreement, Customer will: (a) promptly return to Synopsys or destroy the applicable Licensed Product and Confidential Information and all copies

and portions thereof, in all forms and types of media; and (b) promptly pay all fees owing up to the date of termination.

Any legal action or proceeding arising under this Agreement will be brought exclusively in the federal or state courts located in the Northern District of California and the parties irrevocably consent to the personal jurisdiction and venue therein. Customer agrees that the Uniform Computer Information Transactions Act or any version thereof, adopted by any state, in any form (“**UCITA**”), shall not apply to this Agreement. To the extent that UCITA is applicable, the parties agree to opt out of the applicability of UCITA pursuant to the opt-out provision(s) contained therein.

8.8. Verification and Audit. In addition to the Use and Compliance Data collected by the License Manager, Customer will monitor and track access to and use of the Licensed Product. At Synopsys’ written request, Customer will furnish Synopsys with (a) a certification signed by an authorized representative of Customer providing user or access information that identifies whether the Licensed Product is being used in accordance with the terms of this Agreement, and (b) log files from any License Manager that regulates access to the Licensed Product. Upon at least thirty (30) days prior written notice, Synopsys may engage, at its expense, an independent auditor to audit Customer’s use of the Licensed Product to ensure that Customer is in compliance with the terms of this Agreement and the applicable Purchasing Agreements. Any such audit will be conducted during regular business hours at Customer’s facilities and will not unreasonably interfere with Customer’s business activities. Customer will provide the auditor with access to the relevant records and facilities. If an audit reveals that Customer has underpaid fees to Synopsys during the period audited, then Synopsys will invoice Customer, and Customer will promptly pay Synopsys for such underpaid fees based on Synopsys’ price list in effect at the time the audit is completed. If the underpaid fees exceed five percent (5%) of the license fees paid by Customer for the Licensed Product, then Customer will also pay Synopsys’ costs of conducting the audit.

8.9. Nonexclusive Remedy. Except as expressly set forth in this Agreement, the exercise by either party of any of its remedies under this Agreement will be without prejudice to its other remedies under this Agreement or otherwise.

8.10. Force Majeure. Neither party will be responsible for any failure or delay in its performance under this Agreement

(except for any payment obligations) due to causes beyond its reasonable control, including, but not limited to, labor disputes, strikes, lockouts, shortages of or inability to obtain labor, energy, raw materials or supplies, war, terrorism, riot, natural disasters or governmental action.

8.11. **Notices.** All notices required or permitted under this Agreement will be in writing. Notices will be effective upon delivery if delivered in person and upon mailing if delivered by courier service, overnight delivery services or by a form of certified or express mail. Notices affecting this Agreement as a whole will be sent to the address set forth above, if any, or to such other address of a party as such party may identify in writing; notices related to a particular transaction will be sent to the primary corporate addresses set forth in the Purchasing Agreement or to such other address as Customer or Synopsys may notify the other party in writing.

8.12. **Entire Agreement; Modification; Interpretation.** This Agreement, including any Addenda hereto and any Statements of Work attached thereto, and all accepted Purchasing Agreements referencing this Agreement, constitute the complete and exclusive understanding and agreement between the parties regarding its subject matter and supersedes all prior or contemporaneous agreements or understandings, written or oral, relating to its subject matter. Customer agrees that additional or different terms on Customer's purchase order shall not apply. Failure to enforce any provision of this Agreement will not constitute a waiver of future enforcement of that or any other provision. Any waiver, modification or amendment of this Agreement will be effective only if in writing and signed by Customer and an authorized representative of Synopsys. If for any reason a court of competent jurisdiction finds any provision of this Agreement invalid or unenforceable, that provision will be enforced to the maximum extent permissible and the other provisions of this Agreement will remain in full force and effect. The word "including" when used in this Agreement will mean including without limitation of the generality of any description, definition, term or phrase preceding that word.

8.13. **U.S. Government Restricted Rights.** All Licensed Products are "Commercial Computer Software" as defined under FAR 252.227-7014. For customers subject to the Defense Federal Acquisition Resolutions (DFAR), the Commercial Computer Software and associated documentation are sold pursuant to Synopsys' standard commercial license pursuant to DFARS 227.7202-1.Commercial Products. For all other government customers, use, duplication, or disclosure by the U.S. Government is subject to restrictions set forth in subparagraph (b)(2) of Commercial Computer Software License 48 CFR 52.227-19, as applicable.

8.14. **Synopsys Entities.** Synopsys, Inc. and its wholly-owned subsidiaries, including, but not limited to, Synopsys International Limited, Synopsys International Limited Taiwan Branch, Nihon Synopsys, G.K., Synopsys Korea, Inc. and

Synopsys Technologies Company Limited have agreed to their respective rights and obligations regarding the distribution of the Licensed Products and the performance of obligations related to the Licensed Products. You acknowledge that: (a) Synopsys Inc. or any directly or indirectly wholly-owned subsidiary or branch of Synopsys, Inc. may treat a purchase order addressed to that entity, representative office or branch as having been addressed to the appropriate entity or entities or branch with distribution rights for the geographic region in which the Licensed Products will be used; and (b) delivery will be completed by the Synopsys entity or branch with distribution rights for the geographic region in which the Licensed Products will be used or service will be provided. For products used or services provided in a country in the Americas, Israel or Africa or US dollar transactions in Russia or China, the distributing Synopsys entity is Synopsys, Inc., based in California, USA. 8.15. **Counterparts and Execution.** This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument. An originally executed version of this Agreement or any Exhibit, attachment and subsequent Purchasing Agreement (including, where applicable, a Customer purchase order issued in response to a Purchasing Agreement where such issuance constitutes execution), that is delivered by one party to the other party, as evidence of signature, by facsimile, or by electronic mail after having been scanned as an image file (including, Adobe PDF, TIF, etc.) shall, for all purposes hereof, be deemed an original signature and neither party shall have the right to object to the manner in which the Agreement was executed as a defense to the enforcement of the Agreement.

8.16. **Controlling Language.** This Agreement has been prepared, negotiated and signed in English, and English is the controlling language of this Agreement. Even if any other language version is prepared, including the Japanese version of this document, such version is for convenience purposes only and the English version shall prevail if there is any difference between such version and English version.

END OF TERMS AND CONDITIONS

MAINTENANCE SERVICES TERMS ADDENDUM

1. **MAINTENANCE SERVICES.** “**Maintenance Services**” means the standard Maintenance and Support provided by Synopsys to Customer as further described below. Subject to Customer’s payment of applicable fees, Synopsys will provide the following standard Maintenance Services to Customer for the period agreed by the parties in the order documentation:

1.1 **Maintenance and Support.**

(a) **Maintenance.** “**Maintenance**” means the provision by Synopsys to Customer of any Releases or Workarounds that are made generally available by Synopsys to customers who subscribe for Synopsys’ Maintenance Services offering.

(i) A Release will be one of the following: A “**Major Release**” means a specific edition of the Licensed Product that contains major functionality changes. The content and timing of all Major Releases will be determined by Synopsys in its sole discretion. Major Releases are signified by version changes to the left of the decimal point (e.g. 2.0 -> 3.0) following the product name. A “**Minor Release**” means a specific edition of the Licensed Product that contains minor, but significant functionality changes and could include Licensed Product Updates. The content and timing of all Minor Releases will be determined by Synopsys in its sole discretion. Minor Releases are signified by version changes to the right of the decimal point (e.g. 2.5 -> 2.6) following the product name.

(ii) “**Workaround**” means a Licensed Product patch, error correction, or feasible change in operating procedures whereby the Licensed Product is made sufficiently functional so that Customer can continue to use the Licensed Product. Synopsys may provide Workarounds for a release to resolve a Service Issue for up to twelve (12) months after the earlier of (i) the date the subsequent Release is first made commercially available, and (ii) the date the current Release is no longer made available as a commercial offering by Synopsys. After such twelve (12) month period, Synopsys is not obligated to provide Workarounds but will support Customer’s update of the Licensed Product to the latest Release. Where

Workarounds are to be delivered to resolve a Service Issue, Synopsys will provide Customer with a single copy of a Workaround on suitable media or shall make available the applicable Workaround for download by Customer from Synopsys’ web site.

(b) **Support.** “**Support**” means the e-mail and telephone technical services that Synopsys offers regarding the use and function of the Licensed Product. Synopsys will provide Support and respond to Service Issues as further described below. A “**Service Issue**” is a Customer inquiry regarding the functionality or use of the Licensed Product. Customer agrees that Synopsys’ Support obligations concerning the Licensed Product’s use with third party products, including compilers, operating systems and other Licensed Product, shall be limited to those items set forth in the Documentation. Service Issues are assigned a classification at the time of Customer’s initial contact with Synopsys, and are classified according to the severity levels set forth below. Synopsys will initially respond in accordance with the response times applicable to Service Issues reported by telephone or e-mail during Synopsys’ regular service hours for the applicable region as set forth below. Failure to contact Customer within the response time period because Customer is unavailable (e.g., phone busy, no answer, in a meeting, or out of the office) does not constitute Synopsys’ noncompliance with the response commitment. Customer shall cooperate with Synopsys to provide reproducible results for any errors reported. Synopsys’ ability to provide Support will depend, in some cases, on the ability of Customer’s representatives to provide accurate and detailed information and to aid Synopsys in handling a Service Issue. Customer shall provide Synopsys with reasonable access to Customer systems, premises and staff as needed to provide Support. Synopsys will provide Support for each Release for at least eighteen (18) months after the subsequent Release is first made commercially available. After such period, Synopsys will provide Support, as needed, to Customer to update its use of the Licensed Product to the latest Release of the Licensed Product.

| Service Issue Classification | Response Time | Next Steps |
|---|---------------------|---|
| Severity P1—Critical Business Impact: Licensed Product is not functioning or is stopped or severely impacted so that Customer cannot reasonably continue use of Licensed Product and no Workaround is available. | One business day | Once the Service Issue is verified, Synopsys will engage development staff during Synopsys' business hours (but in no event later than 12 hours after the Service Issue is verified) until a Workaround is achieved. |
| Severity P2—Major Business Impact: Licensed Product is functioning inconsistently causing significantly impaired Customer usage and productivity, such as periodic work stoppages and feature crashes. | One business day | Once the Service Issue is verified, Synopsys will engage development staff during Synopsys' business hours (but in no event later than 24 hours after the Service Issue is verified) until a Workaround is achieved. |
| Severity P3—Minor Business Impact: Licensed Product is functioning inconsistently causing slightly impaired Customer usage and productivity but Customer can work around such inconsistency or impairment. | Two business days | Once the Service Issue is verified, Synopsys will consider a Workaround, if appropriate in Synopsys' sole discretion, and Licensed Product enhancements for such Service Issue for inclusion in a subsequent Release. |
| Severity P4—No Business Impact: Licensed Product is functioning consistently but Customer requests minor changes in Licensed Product such as Documentation updates, cosmetic defects or enhancements. | Three business days | Once contact has been made with Customer, Synopsys will consider Licensed Product enhancements for inclusion in a subsequent Release. |

(c) **Customer Point of Contact.** Customer will designate a specific individual to be the primary point of contact for Maintenance Service communications with Synopsys and will deliver contact information for such individual to Synopsys' support team.

1.2 On-Site Support. Customer may elect to purchase specific on-site support packages, details of which can be found on Synopsys' website: <https://www.synopsys.com/company/legal/software-integrity/onsite-support-services-terms-v2015-1.html>. The purpose of on-site support is to help customers optimize deployment of the Licensed Product, including installation, setup, configuration, and additional support offerings.

1.3 Exclusions to Maintenance Services. Maintenance Services do not include the right to access new or bundled product offerings made available by Synopsys, unless licenses for such offerings are separately purchased. Synopsys will not have any obligation to provide Maintenance Services for problems in the operation or performance of the Licensed Product to the extent caused

by any of the following: (a) modifications to the Licensed Product made by a party other than Synopsys; (b) Customer's use of the Licensed Product other than as authorized by the applicable agreement licensing the Licensed Product to Customer or as provided in the Documentation; or (c) Customer's use of releases other than those releases of the Licensed Product covered by Maintenance Services, (d) Customer's failure to use any error corrections or updates thereto provided by Synopsys to address such problem, or (e) use of scripts or other deliverables provided to Customer under On-Site Support services (as described in Section 1.2 above). If, in its sole discretion, Synopsys determines that a problem in the operation or performance of the Licensed Product is caused by the foregoing, then Synopsys will notify Customer promptly and have no further Maintenance Service obligations related to such problem. If Customer requests services beyond standard Maintenance Services, Synopsys will have the right to invoice Customer at Synopsys' then-current published time and materials rates for the provision of such services.

END OF MAINTENANCE SERVICES TERMS ADDENDUM

ONSITE SUPPORT SERVICES TERMS ADDENDUM

1. SERVICES

1.1. **Services.** Customer has entered into an Agreement for a license to the Licensed Product as set forth therein. In connection with Customer's use of the Licensed Product, Customer may contract to retain Synopsys to provide Customer with the services set out in the applicable Addendum, Purchasing Agreement, Customer Success Package and/or Statement of Work to the Agreement (collectively the "**Services**"). The delivery of the Services is expressly conditioned on Customer's acceptance of the terms and conditions of this Addendum.

1.2. **Purchasing Agreements; Statements of Work.** Customer will order Services by executing one or more written Statements of Work or Purchasing Agreements as applicable. Synopsys shall not be obligated to deliver such Services until Customer and Synopsys enter into one or more (a) written statements of work (each a "**Statement of Work**") specifically identifying the Services to be delivered by Synopsys in connection with the applicable Purchasing Agreement, unless otherwise agreed to by the parties in the applicable Addendum or (b) Purchasing Agreements identifying the applicable Services to be performed. If applicable, a Statement of Work shall identify the Services that Customer requests Synopsys to provide, the duration of the Services, the fees payable by Customer for the Services, and the payment structure. To be effective, each Addendum, Purchasing Agreement and/or Statement of Work (as applicable) must reference this Addendum, and be agreed to in writing by an authorized representative of Synopsys and Customer, and once so agreed upon will be incorporated herein by reference. If no Purchasing Agreement or Statement of Work is executed in connection with the performance of the Services, a Synopsys invoice referencing this Addendum in response to Customer's correct purchase order shall be Synopsys' acceptance of the services transaction. Additional or different terms of Customer's purchase order shall not apply.

1.3. **Performance of Services.** Synopsys will perform the Services using such resources as Synopsys deems necessary in accordance with the terms and conditions of this Addendum and of each applicable Purchasing Agreement and Statement of Work. The Services shall be performed solely in relation to the licenses to the Licensed Product granted by Synopsys to Customer under the Agreement. All terms of the Agreement and Purchasing Agreement that are not specifically amended herein will remain in full effect. Nothing in this Agreement grants Customer any rights to the Licensed Product other than as explicitly stated herein. If Synopsys personnel are working on Customer's premises: (a) Customer will provide a safe and secure working environment for such personnel; and (b) Synopsys will comply with all reasonable workplace safety and security standards and policies that are applicable to Customer's employees and of which Customer

notifies Synopsys in writing and in advance of the commencement of any Services.

1.4. **Customer Responsibilities.** Customer will provide Synopsys with access to Customer's sites and facilities during Customer's normal business hours as reasonably required by Synopsys to perform the Services. Customer will also make available to Synopsys any data, information and any other materials reasonably required by Synopsys to perform the Services, including, but not limited to, any data, information or materials specifically identified in the Statement of Work (collectively, "**Customer Materials**").

1.5. **Relationship of the Parties.** Synopsys is performing the Services as an independent contractor, not as an employee, agent, joint venturer or partner of Customer. Synopsys acknowledges and agrees that its personnel are not eligible for or entitled to receive any compensation, benefits or other incidents of employment that Customer makes available to its employees. Accordingly, for a period of twelve (12) months following the completion of the Services, Customer agrees not to directly or indirectly solicit for employment any Synopsys employees or contractors, provided that a job posting available to the general public shall not be deemed such a solicitation.

2. **FEES AND EXPENSES.** As consideration for the Services, Customer will pay Synopsys fees in accordance with the terms set forth in the applicable Purchasing Agreement. Unless otherwise stated in the applicable Purchasing Agreement, Customer Success Package or Statement of Work, all Services are provided on a time and materials basis. In addition, Customer will reimburse Synopsys for all reasonable and customary travel, lodging and other related expenses incurred by Synopsys or its personnel in connection with the performance of the Services in accordance with the terms set forth in the applicable Purchasing Agreement, Customer Success Package, or Statement of Work upon being provided with receipts and other documentation for all such expenses.

3. **OWNERSHIP.** Material and associated intellectual property rights developed by a party prior to or outside of the scope of a Customer Success Package or Statement of Work ("**Pre-Existing Material**") shall be, as between the parties, owned by the developing party. Synopsys shall own all rights, title and interest in all scripts, methodologies, processes, and documentation, and all intellectual property rights therein, developed during the provision of the Services involving (i) implementation or installation of Licensed Products into Customer's environment, (ii) configuration of workflow or reporting capabilities of the Licensed Product, and (iii) optimization of the use of the Licensed Product in Customer's environment (collectively, the "**Synopsys-Owned Work Product**"). Synopsys hereby grants to Customer, for the license term applicable to the Licensed Product licensed to Customer under the applicable

Purchasing Agreement, a nonexclusive, worldwide, right to use, reproduce and create derivative works of any Pre-Existing Material owned by Synopsys and incorporated into deliverables of the Services, and the Synopsys-Owned Work Product, for Customer's internal business purposes to aid in Customer's use of Licensed Product licensed by it.

4. **SERVICES WARRANTY.** Synopsys warrants that, for a period of ninety (90) days from the completion of the Services (the "**Services Warranty Period**") the Services will be performed in a professional and workmanlike manner consistent with applicable industry standards. If during the Services Warranty Period, Synopsys receives from Customer a written notice of the Service's non-conformance with the provisions set forth in this Section 4, Synopsys will, as Customer's sole and exclusive remedy and Synopsys' entire liability for any breach of the foregoing warranty, at Synopsys' sole option and expense, promptly

re-perform the non-conforming Services or refund to Customer the fees paid for the non-conforming Services. THE FOREGOING STATES CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR WARRANTY CLAIMS RELATED TO THE SERVICES.

5. **ENTIRE ADDENDUM.** The parties acknowledge that they have had previous discussions related to Synopsys' performance of the Services for Customer. This Addendum, together with any Statements of Work or Customer Success Packages incorporated into the Agreement by reference and the Agreement, constitutes the complete and exclusive understanding and agreement between the parties on the subject matter and supersedes all prior or contemporaneous agreements or understandings, written or oral, relating to the Agreement, this Addendum, any Customer Success Packages or any Statements of Work.

3.1.1 Install up to the licensed number of copies of the SDK on computers owned or controlled by Customer, to be used internally by Customer or Customer’s Authorized Users for the sole purpose of developing or testing Checkers; and

3.1.2 Make and distribute a reasonable number of copies of the Documentation to Authorized Users for Customer’s internal use only and for the sole purpose of developing or testing Checkers. Customer understands that Checkers developed using the SDK can only be installed or used in conjunction with the Licensed Product. Synopsys shall not be responsible for any costs, expenses or other liabilities Customer may incur as a result of Customer’s Checker development or use of this SDK.

3.2 **Copies.** Customer agrees to retain and reproduce in full the Synopsys copyright, disclaimers and other proprietary notices (as they appear in the SDK and Documentation provided) in any Checker created by Customer and/or its Authorized Users and in all copies of the SDK and Documentation that Customer is permitted to make under this Addendum.

4. OWNERSHIP.

4.1 Synopsys retains all rights, title, and interest in and to the SDK it may make available to Customer under this Addendum. Customer agrees to cooperate with Synopsys to maintain Synopsys’ ownership of the SDK (including all Synopsys SDK materials incorporated into the

Checkers that are created in connection therewith), and Customer agrees to promptly provide notice of any claims relating to the SDK (and any SDK materials incorporated into such Checkers).

4.2 Except with respect to the SDK materials that are permitted to be incorporated into a Checker pursuant to the terms of this Addendum, Customer shall retain all rights, title and interest in and to the Checkers, subject to the use limitations stated herein.

4.3 Customer hereby grants to Synopsys, its subcontractors and authorized distributors, without charge, the right to use, copy, modify and create derivative works of any such Checkers solely for the purpose of (i) improving the operation, functionality or use of Synopsys' existing and future product offerings and commercializing such offerings; and (ii) publishing aggregated statistics about software quality, provided that no data in any such publication can be used to specifically identify Customer or Customer's Checkers or software code.

4.4 **No Other Permitted Uses.** Customer agrees not to rent, lease, lend, upload to or host on any website or server, sell, redistribute, or sublicense the SDK or any Checker, in whole or in part, or to enable others to do so. Customer shall not use the SDK or any Checker for any purpose not expressly permitted by this Addendum. Customer may not and Customer agrees not to, or to enable others to, copy (except as expressly permitted under this Addendum), decompile, reverse engineer, disassemble, attempt to derive the source code of, modify, decrypt, or create derivative works of the SDK or any services provided by the SDK, or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law, or to the extent as may be permitted by licensing terms governing use of open-sourced components or sample code included with the SDK). Customer agrees not to exploit any services provided by the SDK in any unauthorized way whatsoever. Any attempt to do so is a violation of the rights of Synopsys and its licensors of the SDK. If Customer breaches any of the foregoing restrictions, Customer may be subject to prosecution and damages. All licenses not expressly granted in this Agreement are reserved and no other licenses, immunity or rights, express or implied are granted by Synopsys, by implication, estoppel, or otherwise. This Addendum does not grant Customer any rights to use any trademarks, logos or service marks belonging to Synopsys.

4.5 **Releases and Workarounds; No Support or Maintenance.** Synopsys may extend, enhance, or otherwise modify the SDK at any time without notice, but Synopsys shall not be obligated to provide Customer with any Releases or Workarounds to the SDK. If Releases or Workarounds are made available by Synopsys, the terms of this Addendum will govern such Releases and Workarounds. Synopsys is not obligated to provide any Maintenance or other support for the SDK. Customer acknowledges that Synopsys has no express or implied

obligation to announce or make available any Releases or Workarounds of the SDK to anyone in the future. Should a Release or Workaround be made available, it may have APIs, features, services or functionality that are different from those found in the SDK licensed hereunder.

5. CUSTOMER OBLIGATIONS.

5.1 **Use of the SDK.** As a condition to using the SDK, Customer agrees that:

5.1.1 Customer will only use the SDK for the purposes and in the manner expressly permitted by this Addendum and in accordance with all applicable laws and regulations;

5.1.2 Customer will not use the SDK for any unlawful or illegal activity, nor to develop any Checker which would commit or facilitate the commission of a crime, or other tortious, unlawful, or illegal act;

5.1.3 To the best of Customer's knowledge and belief, Customer Checkers do not and will not violate, misappropriate, or infringe any copyright, patent, trademark, trade secret, rights of privacy and publicity, or other proprietary or legal right of any third party or of Synopsys.

5.2 **Requirements for Checkers.** Any Checker developed using this SDK must comply with these criteria and requirements, as they may be modified by Synopsys from time to time:

5.2.1 Checkers may only use SDK materials in the manner prescribed by Synopsys and must not use or call any materials not published or authorized by Synopsys.

5.2.2 A Checker may not itself install or launch other executable code by any means, including without limitation through the use of a plug-in architecture, calling other frameworks, other APIs or otherwise. No interpreted code may be downloaded and used in a Checker except for code that is interpreted and run by the Licensed Product.

5.2.3 Checkers must comply with the Documentation provided by Synopsys.

5.2.4 If Customer's Checker includes any Open Source Licensed Product, Customer agrees to comply with all applicable Open Source Licensed Product licensing terms. Customer also agrees not to use any Open Source Licensed Product in the development of Customer's Checker in such a way that would cause the non-Open Source Licensed Product portions of the SDK to be subject to any Open Source Licensed Product licensing terms or obligations, including, without limitation, any condition of use, copying, modification or redistribution, which would require such Checker or the Licensed Product and derivative works thereof to be disclosed or distributed in source code form, to be licensed for the purpose of making derivative works, or to be redistributed free of charge (including without limitation as software distributed under the GNU General Public License or GNU Lesser/Library GPL).
